Procure-to-Pay (P2P) | Invoice Processing | 2-Way & 3-Way Matching | Purchase Order (PO) Management | Vendor Management | Pricing Discrepancy Resolution | Debit/Credit Note Management & Reversals |Compliance & Audit Support

Skills

Technical Skills: Microsoft office suite (Excel, word, Power point), Power BI, Financial Modelling.

Work Experience

Accenture, Bangalore

Procure-to-Pay Operations Associate September 2024 - Present

- Processed 70+ invoices daily, ensuring accuracy and timely payment cycles in a high-volume P2P environment.
- Achieved processing of 2,000+ invoices monthly, consistently exceeding volume targets while maintaining quality and compliance standards.
- Resolved 30+ pricing issue invoices daily, identifying root causes and coordinating with vendors/internal teams to close discrepancies within SLA .
- Identified and resolved a backlog of 800+ invoices flagged under various pricing and processing issues within 1.5 months, while continuing to meet daily processing targets.
- Managed and maintained a structured daily pricing issue tracker to monitor invoice status, follow-ups, and resolution timelines, improving visibility and accountability across the team.
- Handled debit/credit notes, reversals, and revised entries accurately to ensure clean vendor account balances and audit-ready records.
- Supported month-end and year-end account reconciliation activities, contributing to timely close processes and financial accuracy.
- Partnered with the automation team to redesign and automate invoice processing workflows, reducing manual intervention by approximately 60%.
